THE DETAILS
MAKE US BETTER

Endura® seamlessly combines the best of American craftsmanship with state-of-the-art innovation. Crafted from durable HDPE, the Endura® outdoor kitchen collection exudes polished elegance with a touch of casual sophistication.

Each piece is a testament to meticulous design, featuring expertly crafted door embossing and edging, alongside the revolutionary Invisa-lock™ technology—a patented hidden joinery system that guarantees rock-solid construction. With its premium materials, superior manufacturing, and thoughtful design, Endura® beautifully marries timeless style with contemporary allure.

DURABLE CONSTRUCTION
The 3/4" marine-grade HDPE is UV and weather-resistant. Cabinets will never rot, delaminate, or splinter and never need refinishing.

LIMITED LIFETIME WARRANTY
Assures the cabinetry you are buying is of good quality and without manufacturing defects, for years of worry-free enjoyment.

INNOVATIVE TECHNOLOGY
Uniquely constructed using Invisa-lock™ patented hidden joinery technology, ensuring a beautiful finish with no visible fasteners.

EASY TO CLEAN
Easy-to-clean surfaces means you spend more time enjoying your cabinetry and less time cleaning them.

MADE IN THE USA
Discover the excellence of American-made outdoor cabinetry. Endura® is manufactured and hand-assembled in Tampa, Florida with materials sourced from American companies.

100% RECYCLABLE
HDPE has a recycling code of 2, which means at the end of its lifetime, it is easily recycled into usable products for home and garden.

STYLE AND CONSTRUCTION

Precision routed door and drawer designs reflect today's most desirable looks in cabinetry.

Made of 3/4" marine-grade, all-weather high-density polyethylene (HDPE). Cabinets never need sanding or painting for long-lasting beauty.

Matching interior and exterior finish for a flawless look.

Modern full-access box construction with full-depth adjustable shelving for an abundance of storage.

Integrated poly-glide design allows for a smooth, maintenance-free drawer operation. Optional stainless steel, soft-close glides available.

304 stainless steel 6-way adjustable hinges feature a soft-close mechanism for a whisper-soft close every time.

Factory machined optional integrated decorative end panel, eliminates the expense of an overly panel.

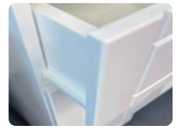
Constructed with Invisa-lock™, a patented hidden joinery system for a beautiful exterior finish with no visible fasteners or screws.

Adjustable rust-resistant 304 stainless steel legs for enhanced structural support. Optional clip-on toe-kick available.

STAINLESS STEEL PULL

A contemporary bar pull that seamlessly complements any outdoor décor. Crafted from 316-grade stainless steel, it offers superior resistance to chloride and salt spray corrosion, making it the perfect match for Endura® outdoor cabinetry.

DRAWER GLIDE OPTIONS



POLY-GLIDE SYSTEM
Standard integrated poly-glide design allows for smooth, easy drawer operation. This maintenance-free option has a lifetime warranty.

SOFT-CLOSE SYSTEM
Optional stainless steel soft-close glides with full extension. Drawer glides support up to 75lbs and has a two (2) year warranty. An additional charge applies.
